

Dear friends and colleagues!

We are excited to invite you to join the international online seminar **“Creation Care: Eco-theology & Environmental Leadership.”**

This seminar will be organized by Hodos Institute in partnership with Care of Creation and A Rocha International.

The seminar is schedule for February 20, 2021 (18:00 – 21:00, Kyiv).

SESSIONS:

- **“Creation Care and the Mission of the Church”**

Rev. Ed BROWN (executive director of Care of Creation) will introduce creation care as the focus of the Gospel and Church Mission.

- **“A Biblical Framework for Eco-Theology”**

Dr. David BOOKLESS (Director of Theology of A Rocha International) will review contours and characteristics of Christian eco-theology based on the Bible.

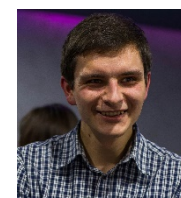

- **“Environmental leadership: theory and practice”**

Dr. Alexander NEGROV (founder and president of Hodos Institute) will cover theoretical and practical aspects of environmental leadership.

- **“Christians of Eurasia and Creation Care: Results of the Research”**

Alexander MALOV (researcher and project coordinator of Hodos Institute) will speak on the attitudes of Evangelical and Orthodox Christians in Eurasia to environmental leadership.

The participation in colloquium is FREE. If you are interested to participate, please register for via this [link](#).

Looking forward to meeting with you!

Blessings,

Alexander Negrov and Alexander Malov
